Kingdom Builders

**AND JESUS SAID TO
THEM, “GO INTO ALL
THE WORLD AND
PREACH THE GOSPEL
TO EVERY CREATURE.”**

MARK 16:15

Dear Church Family,

Friends, Twenty-Four years ago, God gave us a vision at Church of the King to Reach People and Build Lives. Jennifer and I are more excited than ever about this vision - especially today as we continue to realize that very vision from Saint Charles Avenue to South Africa!

From a humble small group of nineteen people in 1999 to, today, with thousands attending our weekend services, the vision to Reach People and Build Lives remains our guiding compass. We are now reaching people with the Gospel across six physical campuses (with more to come this year) and online, through television/radio broadcasts, through the local jails and prisons, and through our local and global ministry partnerships.

As a church, we embrace what Jesus commanded us to...*“Go into all the world and preach the gospel to every creature.”*

In the following pages, I'll share three powerful ways we can make an impact as Kingdom Builders in 2024.

The Apostle Paul writes:

...God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.

2 Corinthians 9:8

Church of the King, you continue to amaze me by your generosity. As Kingdom Builders, it is you who provide a way for us to focus this generosity for the greatest kingdom impact.

Let's commit this year as Kingdom Builders to bringing the message of hope and salvation to our local communities and around the world.

Reaching and Building Together,

Pastor Steve Robinson

Who are Kingdom Builders?

Three Areas:

Local Church Expansion

Kingdom Builders commit to funding the growth and expansion of the local church. Kingdom Builders play an exciting role in planting new churches, expanding/renovating existing facilities, or building new facilities. Church of the King has many opportunities to plant life-giving, Spirit-filled campuses and churches in our nation and worldwide. The harvest is plentiful!

Students and Young Leaders

Kingdom Builders believe in investing in the next generation. Kingdom Builders come alongside students and young leaders in helping them foster a love for the Scripture, God, and the lost. From birth through those beginning their careers, Kingdom Builders care deeply that the spiritual and practical needs of our students and young leaders are being met through experiences such as King's Kids, weekly Limitless youth services, Vacation Bible School, Limitless Youth Conferences, LEAD College, campus ministry, and many more. Kingdom Builders have a heart for the next generation!

Local and Global Missions

Kingdom Builders support vital mission projects and initiatives locally and globally. Locally, Kingdom Builders serve our community through outreaches such as Serve Day, Back to School supply campaigns, Thanksgiving Boxes, Hope for Christmas, and various other initiatives. Globally, Kingdom Builders' generosity provides Bibles for those who desire to know more about the Lord in nations across the world, humanitarian aid, relief to the poor, resources for planting churches, and developing leaders to fulfill the Great Commission. Everyone, locally and globally, deserves a chance to hear the Gospel.

Everyone can be a Kingdom Builder!

Jesus said, “I will build my church and the gates of hell will not prevail” (Matthew 16:18). Kingdom Builders lead the way in helping fulfill the vision of *Reaching People and Building Lives*. How? Through their faithful financial generosity. Kingdom Builders are those individuals and families who prayerfully commit to **give over and above their tithe** to one or more of three specific areas:

- Local Church Expansion
- Students and Young Leaders
- Local and Global Missions

Now more than ever, let's get the good news of the Gospel to our broken world... *to one and all.*

Plan Stretch Dream

By God's grace and blessing, and through the sacrifice of many, Church of the King gives away millions of dollars every year. We only support reputable organizations and individuals who work to expand the Kingdom of God throughout our communities, our nation, and around the world.

This year you can become a Kingdom Builder!

Our Kingdom Builder Vision Need for 2024 is \$18,161,000 above our regular tithes and offerings which requires generous, sacrificial giving from everyone. Whether your giving is from a little or from great abundance, it's not equal giving but equal sacrifice that matters. On the next page are some ways you can step into generosity and become a Kingdom Builder.

Plan

First, pray and make a plan to give an amount over and above your tithe in 2024. When you have a plan and are diligent, it leads to plenty, according to Proverbs 21:5. Whatever the amount is—have a plan in place, work the plan, and be obedient with it. This is a great place to start!

Stretch

Next, pray and ask God to give you an amount over and above your regular tithe that stretches you. This might require sacrifice but will bring great reward! Habakkuk 2:2 tells us to write the vision down and pray about it! God will supply all your needs according to His riches in Christ Jesus (Philippians 4:19). Pray, believe, stretch, write it down, step out! God is with you!

Dream

Last, pray and ask God to give you a dream amount above your tithe that you can't accomplish in your own strength. Pray and ask God to supernaturally make this financial dream number a reality. It's an amount that's beyond what you could do in the natural. It takes faith! God can do exceedingly abundantly more than all we can ask or imagine (Ephesians 3:20).

Congratulations! When you commit to Plan, Stretch, and Dream, you're a Kingdom Builder! While thousands of Kingdom Builders will commit to give in 2024, remember, every gift matters to God. Don't wait! Pray and ask God what He would have you to do as a Kingdom Builder. God's miracle is just on the other side of your faith!

Kingdom Builders are blessed to be a blessing!

Reaching People, Building Lives.
