Growing Little Minds
Nurturing Big Hearts

About Us

At Church of the King Early Learning Center, each school year is a joyful journey of growth, discovery, and faith.

From August through May, our little learners—ages six weeks to five years engage in hands-on, play-based learning that nurtures curiosity, creativity, and a love for Jesus.

Our thoughtfully designed curriculum blends academic foundations with spiritual growth, giving children the opportunity to explore, imagine, and thrive in a warm, faith-filled environment led by dedicated and loving teachers.

Together, we're building strong foundations of faith, learning, and love one child at a time.

Every lesson is designed to nurture curiosity, creativity, and a love of learning in a hands-on, play-based environment.

Biblical

As a preschool ministry, we strive for students to grow in character, make wise choices, and build strong relationships. Partnering closely with families, we provide a nurturing and fun environment where children are stewarded with biblical truths through Bible-focused teaching, engaging worship, and age-appropriate activities.

At Church of the King Early Learning Center, children learn, grow, and thrive—academically, socially, and spiritually—building a strong foundation for their future.
