## STEP BY STEP INSTRUCTIONS

- Identify a child/family to bless
- Select a room makeover designer
- (Designer) meet with the family to discuss ideas, take measurements, and "before" pictures of the room.
- (Designer) make a plan for the room makeover and gather items needed.
- Once the design is finalized, form and coordinate with a team of volunteers and the family to set a day (or two) to execute the makeover.
- On the makeover day, consider sending the family out for a "Fun Day" if they are able.
- While they are gone the work starts (ex: clear room, prep, paint, assemble furniture, bring furniture back in, hangcurtains, pictures, etc.).
- Be sure to take after photos!
- Once finished have a big reveal for the family.
